

Some VERY Good News to Share!

Mr. Lunda commits 3.2 million dollars to support redesign and construction of the Jackson County Fair Park! Wow!

Imagine...

- A brand new ice arena with beautiful and spacious exhibit space during non-ice months!
- New barns to keep your critters healthy and happy at their "home away from home"!
- A facility for 4-H and community events; a community gathering place to be proud of!
- Parking...yes, you heard me...parking space!
- Park maintenance and management to keep it in tip-top shape!
- Your exhibits looking their best in their new exhibit space!

What can 4-H clubs and project groups do to show their support??

- At your next meeting or holiday gathering, please put the fair park on your agenda. Mr. Lunda wants to know that 4-H is supportive of this project and willing to contribute to its success
- Discuss as a club/committee if you are willing/able to make a one-time or annual contribution (example: \$50 or \$100/year for five years). Or perhaps there is some other kind of contribution you'd like to make.
- If your club is willing to contribute, complete the enclosed pledge form. Or you may access the pledge form on our website at <http://jackson.uwex.edu/4h> and either mail it or send it as an e-mail attachment to Deb.
- Return pledges to Deb at the UW-Extension Office **by January 15** if possible. (Those that have already contacted us that your club plans to make a contribution...thank you! Please complete the pledge form with complete details of your pledge and submit it to Deb.)
- If you are making a pledge in 2006, checks should be made payable to "4-H Parents and Leaders Association Inc" and sent to Deb. 2006 contributions do not need to be sent with your pledge form...they may be mailed at a later date if you prefer.
- A portfolio of pledges from 4-H will be compiled and the organization will present them to the Lundas at a future date, along with a check from 4-H.
- Questions?? Contact Deb at the UW-Extension Office, 715-284-4257 or e-mail deborah.jones@ces.uwex.edu
